The yearbook staff  
of  
Wheatfield High School  
proudly presents

# The 1964 Arcus

An aerial view of our school

We would like to thank all those who helped to make this publication possible. Special thanks to Mrs. Kosta, our Sponsor, and Mr. Miller for taking many pictures. Our thanks also go to the other members of the faculty for their cooperation.

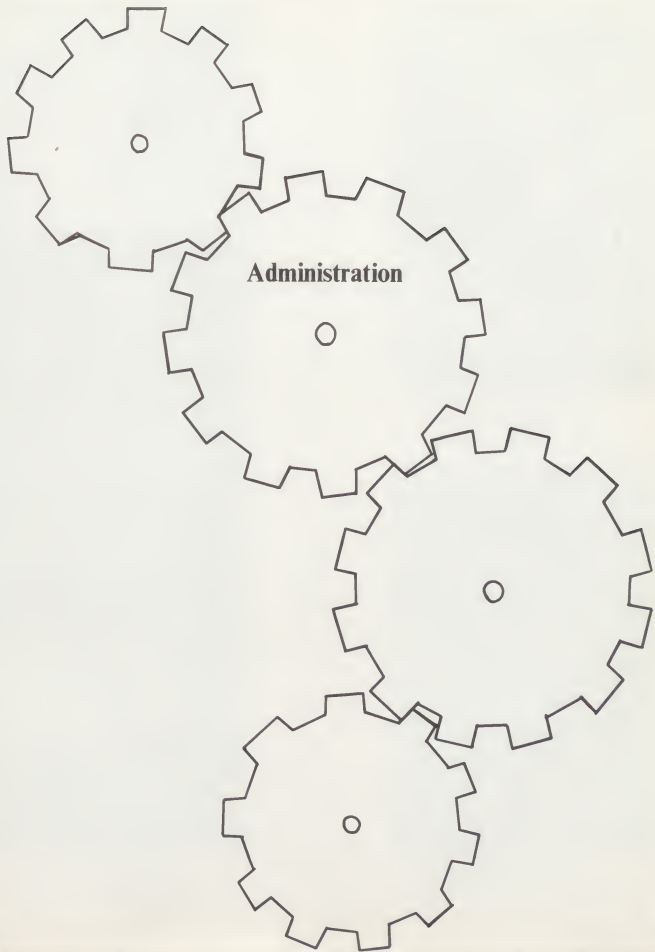

## Dedication

To Mr. and Mrs. Omer Darner, the 1964 Arcus Staff is very proud to dedicate its yearbook. As far as we are concerned, the Arcus has never been dedicated to two more worthy people. Omer and Myrtle, as they are known by all, have been at W. H. S. for 11 and 12 years, respectively, and they are as much a part of the school as any other person. Without these two people our school would literally fall apart. We would like to thank them for their many years of loyal service to our school and want to wish them much happiness in the future.

# Class History

In 1960 we entered Wheatfield High School as freshmen with 69 members. Our students came from Kiniman, Gilliam, DeMotte Christian, and graduating members of Wheatfields eighth grade. This was a great change for many of us. With Mr. Helms as our sponsor, we elected the following officers: President, Dennis Risner; Vice President, Carol Oliver; Secretary, Beverly Hale; and Treasurer, Doug Gourley; Senators, Kenneth DeYoung, and Roger Shepherd.

In our Sophomore year we were guided by Mr. Collins and Mr. Helms. Our officers for this year were: President, Dan Tillema; Vice President, Boyd Jones; Secretary, Robert Rodriguez, and Treasurer, Beverly Hale. The thrill this year was ordering and receiving our class sweaters. They were charcoal with white trim and red letters. We also chose our rings "Star Liner".

We were very excited to get back to school, our Junior year, because we were to receive our class rings the first week. We were very pleased with them. We started our Junior year with the following officers: President, Bill Misch; Vice President, Glen Jones; Treasurer, Diana Myers, and Secretary, Barb Peterson. This year was a very exciting one for we gave our play entitled, "No More Homework", under the direction of Mr. Walden. This also was our year to give the Prom. It was held in the old gym with the setting "UNDER THE MAGNOLIAS".

We enrolled 54 students in our Senior year; a record for Wheatfield High School. Our officers were President, Barb Peterson; Vice President, Ken DeYoung; Secretary, Betty Meeks; Treasurer, Diana Myers. Our caps and gowns were red and white. Our class motto is "FOLLOWERS TODAY, LEADERS TOMORROW." We all enjoyed the prom the Juniors gave us. The theme was "EVENING IN PARIS". Our class flower was white rose, and our colors were light blue and white. Our sponsors were Mr. Miller and Mrs. Kosta. Our Senior Play was "CALLING ALL GIRLS", under the direction of Mr. Walden.

I'm sure none of us will ever forget our School days here at  
WHEATFIELD HIGH SCHOOL.

## Class Will Of '64

- I, Dan Tillema, will my leanness to Mr. Hauser.
- I, Joyce Wynkoop, will my ability to get to my locker to anyone who  
thinks he can get to his locker between classes.

## Class Poem

A class of most illustrious scholars is that of '64  
They are all this and much more;  
So below we shall try to tell  
The things for which they are known so well.

The first on our list is a quiet guy;  
When first you know him, he seems real shy;  
But later you'll find that he's real swell.  
His name, Russell Allen, we all know well.

John Anderson is the next in line;  
We all think he's mighty fine.  
Learning lessons he doesn't shun  
'Tho he'd rather sleep than do one.

Pamela Barker we know by name  
Every day she's always the same.  
A good, steady worker every day of the week;  
When she's around horses, she's at her peak.

Fay Bell, our latest Senior faction,  
For the girls holds a lot of attraction.  
They think he's handsome and, me-oh-my,  
Everyone around likes this guy.

Now here's the boy whose name is Merle;  
He really gives the girls a whirl.  
A truly good nature has this Benoit,  
But he very rarely shows it

Now here is one of our tall, lanky boys;  
When he's around, there's always noise.  
He brings laughter wherever he goes;  
Everyone around Dave Beirma knows.

JoAnne Caldanaro is this girl's appellation;  
With everyone she creates a sensation.  
With her merry laugh and bright smile;  
Everyone's heart she does beguile.

The next Dave on our list is rather shy;  
He is a quiet, soft-spoken guy.  
Cambe it's hard to get to know,  
But soon you'll find he's a fine fellow.

Robert Castle, whom we call "Crow,"  
Has a knack for being slow;  
But people don't notice this a bit,  
Because of his charm and keen wit.

There are two girls around this school,  
Whom everyone thinks are real cool;  
Lois and Joyce are their names;  
Identical twins are their fame.  
They make the honor roll every time,  
Their personalities are sublime.  
Because of their bright smiles and friendly grins;  
Many friends have the Conley twins.

Now here's another Bob on our list;  
Craig is at times considered a pest;  
But this is redeemed by his cheery way,  
Which will make him remembered for many a day.

The first DeYoung is named Ken;  
He's one on whom you can depend.  
He's friendly and always ready for fun  
And is esteemed by everyone.

The other DeYoung is named Bill;  
He's a silent person of good will.  
He has a quiet, winning way with everyone  
And is also lots of fun.

This is the boy called Larry Fricke,  
Soft-spoken and studious is he;  
Courteous, polite, thoughtful and kind;  
A person of his caliber is hard to find.

This is the boy we call Stan;  
When it comes to drawing, he's quite a hand.  
If you have him for a friend,  
A helping hand he will extend.

His name is Douglas Gourley;  
He's the one always cheerful and friendly.  
He greets everyone with a sunny smile,  
For which we'll remember him quite a while.

This is the fellow we all call Ed;  
Many activities Gulbransen led.  
As a leader and hard worker too,  
He accomplishes all he sets out to do.

Beverly Hale is this lady's name;  
Leading in cheers has been her fame.  
She has vim and vigor and a pleasant grin;  
Which helps her many friends to win.

Now about Judy Hathaway we shall tell;  
She's the one we like so well.  
With her cheery smile and loving heart,  
She's of each of us an intrinsic part.

Jerry Hebda is this fellow's name  
He and "Possum" are one and the same.  
He is very courteous and polite;  
We think that he is quite alright.

Boyd Jones is known to us all  
Because of his prowess in basketball.  
A tall, husky boy; and 'tis true  
There's not much that he can't do.

Harry Kampenga is a clown;  
He's always willing to mess around.  
He does everything for a kick;  
And always has some new trick.

Georges Kerkas is a boy fine  
Who says that girls is his favorite pastime.  
A good-natured chap and likable as well;  
All of us think he's pretty swell.

And now here is one of the King's of our class;  
Malcolm has won the heart of every lass.  
He has a smile--bright and winsome;  
And is about as fine as they come.

The next is the other of our King's;  
Bob to all of us joy brings.  
As President of N. H. S.  
He shows that he is one of the best.

Barb Ledford we got in our Junior year;  
To all of us she is very dear.  
A blushing bride she soon will be;  
We all think she's mighty lucky.

Connie Manns, our Sweetheart Queen,  
Is one of the sweetest girls ever seen.  
She has a sweet and winning way  
Which earns her more friends every day.

This is the girl named Freeda Manns;  
She has a host of different friends.  
At times she's shy, reserved, and quiet;  
At other times, she creates a riot.

Here's another Dave of the Senior Class;  
He is admired by every lass.  
We think Marlatt's as nice as can be  
And handsome, of course, as you all can see.

As is implied by her name,  
Betty Meeks is rather tame.  
Her manner is soft and rather mild;  
But, oh beware, when you get her riled.

Bob Melcher is a lad, they say,  
With exceptional ability in F.F.A.  
He's a boy who has won our respect  
Because his personality has a nice aspect.

Now here's the one named Middlekamp;  
John is a likable, laughing chap.  
Although at times he us annoys;  
All in all, he's a pretty fine boy.

Bill Misch is a guy we all like;  
Everyone's attention he does strike.  
He's a neat dresser, as everyone knows,  
And makes friends wherever he goes.

Diana Myers, "Ping" to some;  
Has won the hearts of everyone.  
Because of her charm and sweet smile,  
We won't forget her for quite a while.

Carl Oliver, whom we call "Squirrel,"  
Sets all the girls in a whirl.  
He's thought cute by everyone  
And they all think he's lots of fun.

Charles Owens, better known as Charlie,  
Is a guy you'd like to see.  
His personality is fine and inviting;  
And his smile is bright and winning.

Ron Parker, whom we like so much,  
Is a guy with a humorous touch.  
He's jolly and amusing and very sweet  
And as friendly as anyone you'll ever meet.

Frank Peo is a quiet, studious guy  
Whom everyone thinks is real shy.  
But once you know him, he's lots of fun  
And has a good word for everyone.

Carol Peters is known by everyone  
As a girl always on the run.  
She goes around in a whirl, they say,  
Preparing for her wedding day.

Barb Peterson is this girl's name;  
Senior Class President is her claim.  
She's sharp and nice, sweet and witty;  
Most people think she's rather pretty.

Dennis Risner is this boy's name;  
Playing basketball is his fame.  
Broad and handsome, as many say,  
He'll be remembered for many a day.

The other Risner is named JoAnne  
We all think she's pretty grand.  
She's small, petite and rather fine;  
A girl like her is hard to find.

Truman Ritchie is a guy  
Whom most people consider shy;  
But once you know him, you will find  
That he is friendly and has a keen mind.

The next on our list is Vernon Richie  
Who's about as nice a fellow as you'll ever see.  
He's a good-natured fellow, never shy;  
He's really one very nice guy.

Now here's a fellow named Mike Rust  
He's a person his friends can trust.  
He always appears solemn and rather sad;  
But all in all, he's a pretty nice lad.

Roger Shepherd, or "Shep" to some,  
Smiles his welcome to everyone.  
He is a very friendly guy,  
Sometimes reticent, but certainly not shy.

Now here's the girl we call "The Brain;"  
Darlene Stalbaum is her name.  
She's good and gentle, sweet and kind;  
We all think she's pretty fine.

His appellation is Bill Steele;  
He has determination and strong will.  
A friendly person, also a quiet one;  
Many friends he has won.

And now here comes our Ladies' Man  
Last name Tillema, first name Dan.  
The girls think he's handsome and real neat  
He's one of the finest guys you'll ever meet.

This is the quiet girl named Betty  
With her soft brown eyes she's rather pretty.  
Her last name Salyer she soon will exchange  
For a wedding band and a Tappan range.

The other Tillema is named Dean;  
He's one of the oneriest fellows you've  
ever seen.  
At times he makes us laugh; then sigh;  
But all things considered, he's an alright guy.

Alphabetically at the end of the list  
Is a sweet little miss.  
Joyce Wynkoop is her name.  
To be a model is her aim.

This Year our Student Council presented a convocation to the students of DeMotte High School in return for one they presented to us two years ago.

Our program consisted of a look at our school's activities with emphasis on the National Honor Society and the F.F.A. which DeMotte doesn't have. The F.F.A. gave a demonstration of parliamentary procedure, the Impressions favored the group with a few selections, and our talented Student Council members presented a skit. In the scene pictured above, the hero, Jack Dashaway (Bill Steele) foils Handlebar Hank's (Roger Parker) plan to marry Little Nelle (Barb Hanewich) by paying the mortgage and saving Nelle's home for her Mommy and Daddy.

The Marching Band performs at all home football games and has represented W.H.S. at the Indiana State Fair, Rensselaer, and at the Kentland Homecoming.

The Concert Band performs at most home basketball games, at the Christmas program, and at the Pops Concert in the spring. At the NISBOVA band contest, it received an excellent rating and at the district solo-ensemble contest, many band members received Division I ratings.

Our band is something of which everyone can be proud.

## GREATNESS

A man is as great as the dreams he dreams,  
As great as the love he bears,  
As great as the values he redeems,  
And the happiness he shares.

A man is as great as the thoughts he thinks,  
As the worth he has attained,  
As the fountains at which his spirit drinks,  
And the insight he has gained.

A man is as great as the truth he speaks,  
As great as the help he gives,  
As great as the destiny he seeks,  
As great as the life he lives.

the 1990s, the number of people in the UK who are employed in the public sector has increased by 1.5 million, from 2.5 million in 1980 to 4 million in 1995. The public sector has grown from 10% of the economy to 15% of the economy.

There are a number of reasons for this increase. One of the main reasons is the increasing demand for public services. The population of the UK has increased by 10 million since 1980, and the demand for public services has increased accordingly. Another reason is the increasing cost of public services. The cost of public services has increased by 50% since 1980, and this has led to an increase in the number of people employed in the public sector.

There are a number of challenges facing the public sector in the 1990s. One of the main challenges is the increasing demand for public services. The population of the UK has increased by 10 million since 1980, and the demand for public services has increased accordingly. Another challenge is the increasing cost of public services. The cost of public services has increased by 50% since 1980, and this has led to an increase in the number of people employed in the public sector.

There are a number of ways in which the public sector can meet these challenges. One way is to increase the efficiency of public services. This can be done by reducing the number of people employed in the public sector, or by increasing the productivity of the people who are employed. Another way is to increase the funding of public services. This can be done by increasing the tax rate, or by increasing the borrowing of the government.
